

# QUICK GUIDE: Create Account for myStop

Why not create an account for myStop? When you do, you can setup recurring text and email alerts for all the stops and routes you use, add quiet times to avoid interruptions when preferred, and customize your personal settings. Follow the directions outlined below to create your own myStop account and begin planning your recurring trips.

1. Logon to your agency's InfoPoint website
2. Click on 'Try myStop'
  - Located in upper right corner of page
3. In the popup click on 'Sign Up Now'
4. Enter a valid email twice
5. Create a password twice
6. Then click on 'register'
  - You will be sent a confirmation code to the email address you entered
  - This will be needed to validate your account
7. Login to your email and jot down the confirmation code
  - Enter this code when prompted back on the InfoPoint website to validate your myStop account
8. Click on the blue text- 'profile' hyperlink to access your account and to begin customizing your account
9. Within your profile settings there are two tabs that you can use:
  - **My Subscriptions:**
    - Add the routes and stops you use
    - Setup alerts
    - Setup 'Quiet Times'
    - Check the box to add 'Public Messages' notifications for service changes/ updates
    - Then save your categories
  - **Personal Info:**
    - Add your name
    - Enter your phone number- this is required to receive text alerts on your mobile device
    - Set 'Quiet Times'
    - Indicate your notification method
    - Phone verification is required to receive text alerts

2 Try myStop

myStop® Subscription

Sign up for myStop® to use convenient features that help you get where you need to be!

- Subscribe to text/email messages and alerts so you know where your bus is and when it will arrive.
- Customize your alerts to show only preferred routes and categories that you ride.
