

Key Reminders

- As a Shared Ride Service, there must be limits to what we allow passengers to carry on the vehicle. Items transported must be limited to what can be “reasonably” carried by one person in one trip. Our drivers will provide reasonable assistance in this area as part of the service, but that does not include lifting heavy or bulky packages, or making multiple trips.
- Due to the 15 minute window, the minimum time we can schedule between drop off and pick-up time is 30 minutes.
- Once the vehicle arrives, the driver can only wait up to 5 minutes for you to board the vehicle before leaving.
- The driver can only pick-up/drop off at the location indicated on your reservation.
- Not canceling your trip one hour prior to your pick-up time could result in a “no-show.” Multiple “no-shows” could result in suspension of service.

What is Paratransit?

ADA Paratransit Service* is for individuals with a disability that prevents them from using the accessible fixed route bus service.

The hours of operation compliment MMVTA fixed route hours of service.

If you require a Personal Care Attendant (PCA), that person rides for free.

You may also bring one traveling companion who must have the same pickup and drop off location as the paratransit rider. A companion pays general public fare.

***You must apply for ADA service and be determined as eligible under the guidelines of the American with Disabilities Act through MMVTA.**
